Ideal workspace and position

This sought after building, with quick access to both Edwin Swales and M4, now has a ground floor practical workshop available. Would ideally suit a vehicle mechanical type operation as there is an inspection pit. Could be gone soon, so hurry! Please do not hesitate to get in touch should you require any further information on these premises or other properties in : Durban Central - CBD, Congella, Umbilo, Umgeni, Morningside, Stamford Hill, Umgeni Park, Durban
