1404m² warehouse in Parkhill, Durban North, for sale

This 1055m² property has 1404m² of GLA, but needs plenty of “fixing up” due to it having been empty for a while now. The position of the property is a huge “plus” because of the great visibility, and there is truck access via a back street behind the property, with a roller shutter being at the back of the property.

There is about 280m² of office space with a further approximate
