Secure 816m² warehouse to let in Redhill

This well positioned warehouse in Redhill (just off Chris Hani) offers easy and quick access to the N2. It offers good height, plenty of ablutions, upstairs office spaces, 3 phase Power, 24 hr security, and truck access but excluding articulated trucks. The asking rental is a "gross" rental excluding vat and utilities. There are a few other different size vacant units in this park.
