1000m² Warehouse to let with 1000m² yard on in Briardene

This highly visible "new build" warehouse in Briardene has 3 huge roller shutters and a fenced yard/parking area of another 1000m². It has great height around 5.5m and three phase power with 100amps. There are some neat offices with ablutions, as well as further ablutions and canteen/locker room areas for the warehouse staff. This Warehouse will be ready for occupation in April or sooner if required, but one needs to secure this great Unit soonest. Phone
