

Floor Size 220m²
Zoning Industrial
Available From 01 Dec 2024
Lease Period 36 months

R20,000pm R90 per m²

220m² warehouse in secure park in Springfield

This warehouse of 220m² is available from the 1st of December. The very neat park has remote access, and the unit has quite a large office component upstairs although it still has a fair portion of space offering the height that might be required. There is another unit coming available a month later which can be combined to create 440m².
